

# Confirming your spot at the Venetian ESummer 2024

EARLY BIRDS & REGULAR ROUND OF ADMISSIONS

Congratulations on your acceptance!

Now It's time to join the Venetian ESummer 2024. To access detailed information about the program, please be sure to be logged into our ESummer Account into our ENTER International platform.

## **ENROLLMENT & CONFIRMATION DEPOSIT**

To confirm your participation in the program we ask you to submit an enrollment deposit as soon as possible and **by the 7th of April**. This guarantees your spot at the Venetian ESummer in-person as well as saves a position at the Online version in case of any emergency, plane strikes or last-minute cancellation. Notice that the enrollment deposit is not refundable but will count towards the whole amount you are required to pay and that is stated in your financial application.

## **Where should I make the deposit?**

The deposit shall be sent to the following data. Notice that since ENTER the total value will be sent to our Chief Financial Officer. You can find detailed information confirming that the deposited value will be used for your confirmation towards housing and others. You might issue a confirmation that our Chief Financial Officer is indeed part of ENTER's administration through our Board of Executives email.

Data for the Deposit as follows:

**IBAN:** BE59 9672 5903 4826

**Bank Code swift/BIC:** TRWIBEB1XXX

**Name of the Account Holder (Our Financial Manager):** Kezia Coutinho Vizoto

**Street:** Brigata Cadore, 26

**City:** Romano d'ezzelino

**Postal Code:** 36060

**Country:** Italy

**Bank Name:** WISE

**Currency:** Euros

**Email:** polyana.enterinternational@gmail.com

## **TUITION FEE**

Students who are required to pay the tuition fee will deposit 350 EUR (€) either through one single deposit with the remaining cost or may follow the installments suggested below. All installments are suited for the value offered by your financial and scholarship request. Below you can find **AN EXAMPLE** of what three installments would look like if an individual has not requested financial aid or has not received any scholarship.

Deposit number	Total Value	Description	Due
Confirmation Deposit	50€ (In-Person) or 15€ (Online)*	Confirmation of Non-Refundable Deposit going towards logistics & hotel booking	April 7th
Tuition Deposit	400€(In-person) or 200€(Online)	Tuition going towards the work hours of volunteers, speakers, location	May 15th
Deposit n.1	50% of the housing option chosen (95€)(In-Person Only)	Cost of hotel expenses with breakfast option included	April 15th
Transportation fee + Museum Cost	60€ (In-person only)	Deposit going towards Internal transportation + to/from Venice + Museum tickets	April 15th
Deposit n.2	The remaining 50% of the housing options chosen (In-Person Only) (95€)	Cost of hotel expenses with breakfast option included	April 30th
	All within the 30th of April	All within the 30th of April	All within the 30th of April**

#### Disclaimers about

- **Deadlines:** Deadlines will be explicitly mentioned in your financial aid package.
- **Housing option:** This year, differently from past years students will have to all stay within the Ostello Bassano del Grappa facilities.
- **Confirmation Deposit:** The confirmation deposit is nonrefundable and its purpose is to guarantee no slots are permanently taken by individuals who do not intend to attend the program. It also allows us to confirm fully your hotel booking. Without a confirmation deposit, we cannot assure your slot in the program and even our housing options will be available.

#### HOTEL FEE

Hotel fees are key for your booking that's why the confirmation deposit is requested. We visited each structure and are mindful of the possibilities that would fit both your financial and comfort requests. Students will be receiving an additional document with all the details

regarding housing. As of today, no updates have been received on whether local Italian families would be available to welcome students.

To cope with the hotel costs, we advise international students coming from outside of Europe to plan on taking on a loan or paying through credit card installments the cost of the tickets. This allows students to still have a certain amount of funds available for any emergency and eventually the cost of the hotel in case a full ride is not awarded to you.

### **Can I suggest my own hotel location?**

At ENTER International we strive to keep students logistically in one location for management reasons. In exceptional situations, other hotel locations might be accepted. The student suggesting the location has to present a medical reason or a well-addressed letter. Students with any sort of physical disabilities are welcome to write to our board of managers at [administration@enterinternational.org](mailto:administration@enterinternational.org) to ensure their presence will be fully provided correctly with all the necessities required.

### **TRAVEL EXPENSES**

This year Florentino travel expenses will be awarded to one EU student as our way to thank the European Commission for carrying our organization forward throughout the year. During the next editions, we hope to expand this support to Russia, North Africa, and Asia moving then to South America and North America.

In this case, if you are not considered European or if you are not residing in Europe at the time of the program you will have to cover the travel expenses cost for this year. As already mentioned we advise students to buy tickets by taking a loan or paying through credit card installments. Unfortunately for this year, ENTER is not able to offer internal installments to our students, although it is a possibility that we are discussing to take on during the next years.

### **How can I find the proper ticket?**

ENTER will be sending you additional information on where and how to buy your airplane/train/bus tickets.

### **Disclaimer:**

- Do not search for tickets unless you are in private (incognito) mode. Websites and cookies track your destination interest and might alter your costs. This will impede you from finding affordable options.
- You will not need a large luggage. Multiple luggage options allow you to store more dresses, and use less space. LET'S GET INTO THE RAYANER MOOD! You do not want the travel expenses to be a burden for you, and neither do we.
- Google can be a lifesaver! Look for your flights on Google Flights. Include only the location of your departure and have a look at the flights that are coming to Italy or near it. This way you will not activate cookies and you can easily have an overview on the cheapest options.

## **VISA**

VISA Processes can take a while.

As an organization, we are allowed to offer you and your legal police any proof that you have been accepted into the program. No European citizen will have to issue a VISA or Brazilian citizen. Future editions might require a short online visa from 2024 onwards.

To obtain a VISA and therefore attend our program students will have to send:

1. Proof of sufficient funds and timely confirmation of deposit
2. Proof of ticket booking
3. Attend at least once an interview with an ENTER member
4. Proof of academic accomplishment or last employer letter

## **BOARDING TO ITALY**

We will make sure you enter the border correctly! We will provide as many certificates as possible to our international students confirming that you will only stay within Italy for the ESummer program.

Therefore, we will also require that you sign a contract affirming such a matter. Indeed, no students will be allowed to use the ESummer program as a means of illegal migration.

Additionally, following the Schengen rules you will not be allowed to stay in Italy or in any country in Europe for more than 90 days total. Canceling or postponing the tickets for not fully or correctly explained reasons may result in a permanent ban from ENTER International and legal consequences (Valid only for non-EU students).
